**LODGE INTERNATIONAL SCHOOL
FULL CENTRE SUPERVISION
OCTOBER / NOVEMBER 2013**

Full Centre Supervision

Your exam board, Cambridge International Examinations, has candidates in over 160 countries. It is really important that question papers are kept secure so that the exam is fair and that all candidates get the marks they deserve. To help keep the question papers secure the exam board asks your Centre to supervise you at particular times around your exam. We call this 'Full Centre Supervision'. You must follow the rules for Full Centre Supervision. If you do not, you may not be allowed to take the exam, your paper may not be marked or your results may be cancelled.

Full Centre Supervision rules

- Full Centre Supervision sessions can take place before or after your exams. You must attend all sessions and arrive in good time.
- Your Centre will tell you the dates, times and venues of your Full Centre Supervision sessions.
- If you arrive late, report directly to the person in charge of the session.
- You are not allowed to have mobile phones or use any communication device, including the internet, during Full Centre Supervision.
- You can have books and revision notes with you during Full Centre Supervision, but you must not take them into the exam.
- You can talk to each other during Full Centre Supervision, but you must not during the exam.
- Do not leave the room until you are given permission to do so.
- If you need to leave the room you must be supervised by a member of staff.
- If you feel unwell during Full Centre Supervision tell the person in charge of the session.
